

Facility Planning and Control

BUILDING CODE FOR STATE OWNED BUILDINGS

June 2016

NOTE: The following applies only to state owned buildings.

Title 34

GOVERNMENT CONTRACTS, PROCUREMENT AND PROPERTY CONTROL

Part III. Facility Planning and Control

Chapter 1. Capital Improvement Projects

Sub Chapter A. Procedure Manual

§131. Louisiana Building Code

Editor's Note: As required by Act 836 of the 2014 Regular Legislative Session, Part XIV (Louisiana State Plumbing Code) of the Louisiana State Sanitary Code became null and void on January 1, 2016. In accordance with the Act, effective January 1, 2016, R. S. 40: 1722.B.2, Part XIV (Plumbing) of the State Sanitary Code as promulgated by the secretary of the Department of Health and Hospital was replaced with the International Plumbing Code, the International Building Code, Chapter 29, Plumbing Systems, and the International Residential Code, Part VII, Plumbing. Effective January 1, 2016, LAC Title 34, Part III, Section 131 established the 2012 Edition of the International Plumbing Code and the 2012 Edition of the International Residential Code as published by the International Code Council.

A. R.S. 40:1722 establishes the Louisiana Building Code and directs that the following codes be established as the minimum standards for this code. These codes shall be established as constituting the code in the editions indicated:

1. the Life Safety Code, Standard 101, 2012 edition as published by the National Fire Protection Association;
2. Part XIV (Plumbing) of the State Sanitary Code as promulgated by the state health officer acting through the Office of Public Health of the Department of Health and Hospitals;
3. the International Building Code, 2012 edition as published by the International Code Council, not including chapter 1, administration, chapter 11, accessibility, chapter 27, electrical, and chapter 29, plumbing systems;
4. the International Mechanical Code, 2012 edition as published by the International Code Council;
5. the NFPA 70: National Electric Code (NEC) 2011 Edition as published by the National Fire Protection Association.

AUTHORITY NOTE: Promulgated in accordance with R.S. 39:1410.

HISTORICAL NOTE: Promulgated by the Office of the Governor, Division of Administration, Facility Planning and Control, LR 8:473 (September 1982), amended LR 11:849 (September 1985), LR 33:2649 (December 2007), LR 37:3260 (November 2011), LR 39:86 (January 2013), LR 39:2493 (September 2013), effective on January 1, 2014.
